

## **Welcome to The Mountain Trolley Townhouse - 37 Daly Avenue**

I am happy that you chose one of my properties to stay during your visit to Park City. If you have a question, please contact me on my cell 435-640-0166.

The following is some useful information for your stay:

**Entry:** To Enter the units, you have been assigned a 4 digit number, usually the last four of your cell phone number as your code during your stay. The code is on your invoice. Please hold the door handle and pull towards you as you enter your code. You will hear the lock releasing.

**Phone Number:** The phone number at Mountain Trolley Townhouse "A" is 435-658-2707; Mountain Trolley Townhouse "B" is 435-655-9455

It will be necessary to use a credit card while dialing long distance

**Hot Tub:** Each property has a hot tub. Please be sure to replace the cover after use and turn off the jets. The HT is set at 104 and guests are asked not to adjust this temp setting.

**Garbage:** For Mountain Trolley the garbage cans are located in the garage. The garage code is listed inside the townhouses ... please see that the cans are on the street Wednesday evening for garbage collection on Thursday Morning. There is to be no parking of a car in the Garage. You may store items in the garage but be aware that other guests have access to this area.

**Fireplace:** The fireplace for Townhouse "B" is a gas fireplace. To turn the gas on there is a key that turns a small valve in the fireplace...quickly turn on and light. Turn the key off to extinguish the fireplace, make sure this is off tightly so no gas is flowing.

### **General:**

The units are all smoke free and no pets are allowed unless cleared previously with me.

Additional cleaning fee will be assessed for excessive waste clean up

### **Useful Information:**
